Log-in to your SchoolBase account by going to geckoportal.sis.org.cn and using your personalized credentials.

Click on side menu bar for “Change Password” option.

Select “Change Password”.

Change Your Password

Enter your current password and your new password in the form below. Passwords must be a minimum of seven characters long.

To help you choose a strong password, a strength bar will appear as you type your new password. The longer the bar the better the password.

Steps 1-3

1. Current password

2. New password (min 7 characters)

3. Confirm new password
