

August 29th, 2018

Dear Parents,

Please find below my swimming schedule for the 1st trimester. Please check the dates and compare to when your child's class has PE.

Please also ensure that your child brings their swimming clothes/equipment on their designated day. Swimming is a mandatory part of our curriculum, we therefore ask that you help prepare your child with all the necessary items for each swimming lesson.

We will swim during every PE lesson, unless the weather prohibits us from doing so.

The swim lesson dates for Mr. Elliott's classes are as follows:

Start: September 17

End: October 19

Swimming equipment

- Swimming clothes
- Goggles
- Sunblock
- Towel
- Dry bag
- Water bottle

If you have any questions or concerns, please feel free to contact me at: relliott@sis.org.cn

Thank you,

Rob Elliott
SIS Primary Physical Education Teacher
