

The Inquiry Process

<i>Tuning In</i>	<p>Zoom In Inquiry!</p> 	<p>I am curious ... I am excited about ... Possible connections include ... I wonder ...</p>
Finding Out		<p>I think we could/should... Maybe should search for... How about we ask... I found out... Oh, now I know... This makes me wonder about...</p>
Sorting Out		<p>I used to think...but now I think.... I can answer some of my questions... I wasn't expecting to find out that.... I can connect this with.... I have learned that.... This means/I think this means.... This tells me that.... Now I'm wondering.... I'm learning how to....</p>
Going Further		<p>I want to find out more about... Why/who/what/where/when/how...? Can we/I...? I think I should/could.... I'm confused about.... I still need to know/do....</p>
Reflecting And Acting		<p>I used to think...but now I think.... I can use this when.... I /we should.... I/we have learned to.... I have learned more about.... Next time I need to.... I wish I had.... I have got better at....</p>
