

## Expectations for Using WeChat in Kindergarten

### **WeChat IS for:**

- General school/class related questions that the whole group can benefit from
- Questions/reminders of upcoming events
- Share learning that is happening at home
- Teachers to share learning that is happening at school

### **WeChat IS NOT For:**

- Sharing stickers
- Telling the teacher your child is sick/absent (send email for this)
- Individual student questions/concerns/or comments
  - ex: dismissal change, playdates
- Concerns or disagreements about the school

### **Other Reminders:**

Please think about the timing of your messages. During the day we are working with the children. We will do our best to respond, but please do not expect an immediate reply.

Also remember that this is a group- it is not just one person receiving your message, it is the whole group.

Please make sure your group alias is in English and includes yours and your child's name.  
Example: Allie (Shaun's Mom)
