

World Language Fair Proposal

Name: Loring

Grade: 7

Title of the Project	Pierre Curie Biography	
Rational/ Objectives	I have always enjoyed studying and learning about science and chemistry ever since my mom bought me a microscope set. I took this opportunity to showcase the life (and death) of the famous French chemist, Pierre Curie. I like this project over the others due to how unrecognized he is, and I wish to show the fair what the often ignored spouse of Marie Curie
