TECH Studio Elective: _____

1

Please note: TECH 5300, TECH 5310, and TECH 5320 do not qualify as Studio electives.

Additional Requirements

- Students must receive a passing grade to receive credit. Audited electives do not count toward any graduation requirement.
- All students must receive a B or higher in TECH 5900 or TECH 5910/TECH5920/TECH 5930.
- All Studio courses must be taken for a letter grade.
- All required classes must be taken for a letter grade. No more than 2 credits of LAW electives that are offered S/U only will count toward the LAW elective requirement.
- A student will be placed on informal probation if, at the close of the first semester of law study, the student's merit point ratio is less than 2.50. If this happens, the student must meet with the Program Director prior to continued enrollment.

Students enrolled in the 3 semester Tech LLM should see their Program Director for their final semester requirements
