

How did two radio hosts visit 37 delis in 8 hours: Why Math and Statistics still Matter in Data Science

Come hear how data science students from KSU analyzed massive amounts of data to help Bert Weiss and Kristin Kingshirm from Q99.7's The Bert Show visit 37 different Jersey Mike's Subs restaurants throughout the Atlanta area on March 28th. The event raised money for Bert's Big Adventure, which provides an all-expenses-paid, five-day journey to Walt Disney World® for children with chronic and terminal illnesses and their families.
