

## Bill Allocation Restrictions

These are the base policies applied to all Bill funding requests including the prohibited allocations as well as item maximum limits. This document should be used as reference while planning and submitting your Bill to ensure that the review process goes well. If you would like to review the actual policy in which all of these restrictions come from - [click here](#).

If you have any questions about these allocation restrictions or are unsure if an item you may request funding if against policy - reach out to the Joint Vice President of Finance of SGA.

## Overarching Requirements

- The RSO must be in Active standing as determined by the Center for Student Engagement.
- The RSO's funding application must be complete and include the [required information](#).
- The RSO must attend the required Joint Finance Committee meeting.
- Events and activities funded through student activity fees must be open to all Georgia Tech students.
- The RSO's request must contain accurate cost estimates supported by reliable documentation or research, including by taking into consideration the number of students likely to attend an event. However, this criterion will not be used to consider the content or viewpoint of an RSO's speech, including the presumed popularity or controversial nature of an RSO's speech.
- Any proposed facility must be suitable for the proposed events and activities based on the estimated size of attendance.
- Any travel expense estimates must be objectively reasonable for the type of event or activity proposed.
