

GMATYC Executive Board  
Minutes  
August 4, 2006

President Jessica Craig called the meeting to order at 10:00 a.m.  
Donna Saye, Alice Pierce, Alvina Atkinson, and Lisa Yocco attended the meeting.

**Old Business**

**Treasure's Report**

Alice Pierce gave a detailed treasure's report. Our beginning balance February 16, 2006 was \$1,173.19. We had deposits of \$1190.00 and expenses of \$712.45, making the balance \$1,650.74. Our savings account balance as of June 30, 2006, was \$301.98.

**Membership List Update**

Currently we have 85 members. 74 are regular members and 11 are life members. There was discussion that we need to get more members to renew, and that soliciting members right after the spring meeting is a good idea.

**Membership Cards**

Lisa Yocco has sent membership cards to members as they have renewed.

**New Business**

**GMATYC Blog**

Calandra Davis and Jessica Craig have organized the GMATYC Blog, an online discussion board for anyone in GMATYC for communicating and sharing ideas on the web. All members of GMATYC will be invited to join.

**GPC Conference**

Next year's conference will be February 16-17, 2007, at the Lawrenceville campus.

**AMATYC SML Test**

Christopher Becker from Gainesville College was first in the state and will receive \$200 and a plaque. Donna Saye will be responsible for getting the plaque engraved.

**Newsletter**

Thanks to Alvina Atkinson for taking over as editor of the GMATYC newsletter. Per the by-laws, the fall newsletter is mailed to members, and the spring newsletter is sent electronically. Alvina announced that articles for this fall's newsletter are due by October 1. We will solicit positions for President-elect and the Nominating Committee (2 positions) in the fall newsletter.

**Teaching Excellence Award**

Dennis Russell was the recipient of the GMATYC Teaching Excellence Award and his application will be submitted for the AMATYC Award. The AMATYC and GMATYC one year membership fees for Dennis have been paid by GMATYC.

**AMATYC Delegates**

Delegates to the AMATYC meeting in Cincinnati will be Jessica Craig, Donna Saye, Ray Collings, and Don Brown.

**Liaison for GCTM**

Jessica Craig will ask Don Brown to be the liaison for Georgia Council of Teachers of Mathematics.

**Membership Committee**

The Membership Committee should solicit new members to join as well as old members to renew. Co-chairs Alvina Atkinson and Heather Walker will rotate off the committee in 2007, so current committee members should make sure that new officers know the protocol.

Respectfully submitted by **Lisa Yocco**, GMATYC secretary
