### Music K-3
Hello all! We have been working diligently on basic musicianship skills over these past few weeks, and are really starting to sound great in our classes! A seesaw content update is on the way for Kindergarten- we’ve been busy developing class routines, and becoming comfortable singing and playing in for each other. Thank you for your patience!

### News from Lower School

#### Announcements and Reminders
- ✓ The art department has made a limited edition run of prints of two of my original drawings. These are going to be for sale until we run out. Limited edition print runs are a small batch of prints which will be the only prints ever made of the work. These will be available at the front desks at the McIntosh and Brevard Rd campuses. Proceeds will benefit art K-12.
  - 5 x 7 = $20
  - 8 x 10 = $30

- ✓ ASCEND is looking into having a camp over break, and wanted to gauge interest so they can plan accordingly. The camp would be a little different from previous years with a lot more activity and weekly themes. Please respond to the following google [form](#). Even if your interest is just a possibility, it will help them evaluate if having a camp is feasible or not! Thank you!

- ✓ RESCHEDULED: Due to a conflict this week, Master Morris from Sun Soo will be teaching PE classes with Coach Kearns the week of 10/8 when we return from break! Be sure to ask your Champion about it and be on the lookout for more information coming soon for how you can sign up to take classes at Sun Soo and support Imagine at the same time!
