July 31, 2017

Dear Parents,

It is an honor and a privilege to welcome you to Trout Primary, Home of the Roadrunners! I am excited about the start of the 2017-18 school year. Our caring and professional staff recognizes the importance of educating all students by providing exceptional learning experiences. It is our goal to establish a partnership between staff, students, parents, and community members to maximize the growth and success of our students.

In an effort to keep your child's information current, please register your student through our online registration system, Infosnap. You will find the Infosnap link on the Lufkin ISD home page at lufkinisd.org. Should you need computer access, we are happy to help you register on our campus. All students must be registered before a class and teacher can be assigned.

Our come and go Meet The Teacher event is scheduled for Monday, August 14, from 3:00-5:00 p.m. This will allow our students to meet their teachers, find their classrooms, and drop off their classroom supplies. I hope that this visit will help your child feel more comfortable on the first day of school.

The first day of school is Wednesday, August 16. Our doors will open daily at 7:15 a.m. and classroom instruction will begin at 7:45 a.m. If you arrive after 7:45 a.m., you will need to park in the side parking lot and escort your child into the building. Breakfast is free to all students and will be served 7:15-7:45 a.m. The school day ends at 3:05 p.m. A map of the traffic route for Trout is included. It is our priority to ensure the safety of all students, so please adhere to specific drop-off and pick-up locations.

Working together, I know we can make this a great year at Trout Primary School! I look forward to our productive partnership ensuring that each child achieves his or her highest potential.

Sincerely,

Cindy Nerren

Principal, Trout Primary
