

# Car Riders

Please remember that in the mornings all students are to be dropped off in the circle drive only.

It is perfectly fine for students to exit your car at any point along the drive, as long as you are in the inside lane and they get out on the side by the building and walk down the sidewalk to the front door. If you would like to walk your child in, park in the large lot by the cafeteria. For the safety of our students, do not drop off students at the cafeteria. It is very dangerous to have students walking in the bus lanes!

In the afternoons, car riders are picked up in the circle. To help things go smoothly, follow these guidelines:

- Hang your child's tag on the rearview mirror.
- Give a tag to anyone who might be picking up your child. We have plenty! Call the office.
- Remain in your car and let staff load your child.
- Leave the tag in place until your child is loaded.
- We are using teacher names/numbers instead of student names for safety.
- As students learn their numbers, we learn the cars, and more students begin riding the bus, the lines will move quicker. Please be patient!
