

The Lufkin Independent School District intends to participate in the Summer Food Service Program (SFSP) as a sponsor (Contracting Entity). The SFSP is a federally-funded program administered in Texas by the Texas Department of Agriculture. Federal regulations require that SFSP sponsors notify local health departments of their intention to provide a food service during a specific period at specific sites and arrange for prompt and regular trash removal. All SFSP sites must meet proper sanitation and health standards which conform with all applicable State and local laws and regulations in the storage, preparation, and service of food. We will be preparing food at Lufkin High School and Slack Elementary School and serving food at the following sites and times:
