You will also need a Texas State ID. The address where you are staying will need to match the information in the skyward system. Address changes and current phones numbers must be updated and completed at the campus of attendance.

Why do I have to come to Transportation to register my child for bus service?

We require this annually to verify that addresses are eligible and to process necessary paperwork. Many of our students are transitioning to other schools, which can change bussing assignments and times. We build our routes annually based on each eligible request so that we are running efficient routes and assign students on specific buses to avoid overcrowding. We are continually looking for ways to run our transportation service as efficient and economical as possible and some routes may be deleted or added, which can change bus numbers and route path from the previous year.

Thank you, Wayne Grissom
