Please note: Address changes and current phones numbers must be updated and completed at the campus of attendance.

***Why do I have to come to Transportation to register my child for bus service?**

We require this annually to verify that addresses are eligible and to process essential documentation. Many of our students are transitioning to other schools, which can change bussing assignments and times. We annually audit our transportation service in order to make efficient and economical decisions, therefore routes may be added or deleted, which can change bus numbers, pick up and drop off locations, and route paths from the previous year.
