1) Go to the District Webpage and click on Panther Desktop Portal on the left menu
2) Click on the Panther Desktop Portal Link

3) Login using the same username and password you use to login to the computer
4) Once you login you will be prompted to install the Citrix Receiver onto your computer. Click on I agree and then click on the Install Button

5) Once you click on install, just click on Run to start the installer once it finishes downloading
6) If you are prompted to allow the following programs to make changes, select Yes.

7) Click on Install to start installing the Citrix Receiver.
8) Click on Finish when the install is complete

9) Once you have installed the Citrix Receiver click on the Desktop
10) If this is the first time you are logging into the Panther Desktop Portal you will see a black please wait screen. This is normal and will take about a minute to setup your profile.

11) Once the black please wait screen goes away you will be at the desktop.
12) When you are done just click on the start button and click logoff
