

# **MTHS – Athletic Hall of Fame Eligibility & Qualifications**

## **Nomination Eligibility**

To be eligible for selection, an athlete must have graduated from MTHS at least five years prior to nomination. Teams will be eligible for nomination five years after the team completes its season. Coaches or other individuals associated with MTHS athletic programs may be recognized while still active at MTHS, but only after a minimum of twenty years of service. Any coach or other individual associated with MTHS athletic programs will be eligible for nomination after a period of five years following their association with MTHS.

## **Qualifications**

There shall be no specific achievement requirements that automatically qualify an athlete, coach, or team for inclusion in the MTHS Hall of Fame. Rather, the Hall of Fame Committee will use its best judgment, on a case-by-case basis, to determine whether or not a nominee is worthy of such recognition. The founders of the MTHS Hall of Fame trust that future stewards of this award will continue to bestow it only on those truly deserving. It will continue to be necessary to balance the desire to recognize as many individuals and teams as possible while maintaining a meaningful award reserved for only a fraction of MTHS athletes, coaches, and teams.
