

**Attention Parents!** We need your help! Your son/ daughter has shown an interest in being involved with Operation Snowball at MTHS. For the success of this program to continue, we need your help in various ways. One goal of Operation Snowball is to get more Parents involved with the program. This year we will give you that opportunity to help make Snowball '19 a HUGE success! During Snowball you could share with your child's fun and rewarding experience. Listed below are several areas where we need help. We ask you to please fill out this form and return it with your son's/ daughter's registration forms. We cannot thank you enough for your help and generosity. If any more information about any of these areas is necessary, please feel free to contact Garry Finch at MTHS (367-4151 ext 553).

**Meals**- We need individuals to prepare and serve meals. The dates and times for help are as follows:

<b>Sun. Jan 20</b>	<b>Breakfast</b>	<b>Arrive at school at approx. 7:15 a.m.</b>

**Nighthawks**- A Night hawk stays up all night and patrols the halls to keep peace and quiet. The time is from 1:00 a.m. to 7:00 a.m. on Friday night/ Saturday morning and 1:00 a.m. to 7:00 a.m. on Saturday night/ Sunday morning. Your help is greatly appreciated. Find a friend and share this wonderful experience. If enough parents sign up, we can break this time into shifts.

**Pizza Party**- the next area is helping with the pizza party. **We would like a parent to organize the serving of pizza.** On Saturday night from 10:00p.m. to 12:00 a.m. we will have a dance and along with this dance, a pizza party. Parents will pick up the pizzas at various restaurants that will donate them. This group of individuals will also set out the pizzas and drinks. Afterwards, they will help clean up the cafeteria.
