Dear Senior Class,

It feels like we’ve gone from freshmen to seniors in the blink of an eye! Throughout our time here at Northeastern I’m sure we’ve made unforgettable memories—let’s continue to create even more during our final year!

As chair of our Senior Year Experience Board, I will dedicate a
tremendous effort towards ensuring that this year is abundant in opportunities that will propel us forward. From now until Commencement, myself and the other members of SYEB will be organizing events and activities filled with chances to network, socialize, and celebrate our journey. Your opinions are important to us, so make sure to follow us on social media and tell us about any events or activities that you would like to see brought to life.

Best,

Rakiesha Gay, S'22
