

The CEL is a faculty-led organization that encourages St. Edward's students, faculty, and staff to address the problems in our world and immediate community by engaging with each other to find positive solutions.

### Events

- Fusion Discussion Groups: Small group discussions about relevant issues aimed on reaching a consensus on policy, 4-5 per semester
- Speaker Series: Experts in fields of study associated with ethics and leadership speak on topics of global interest, 5 times per semester
- Deliberative Dialogues: Public dialogues focused on finding policy solutions to political problems, once each semester
