Asset Management Conference
Clayton Hall, University of Delaware
Newark, Delaware

The Maryland and Delaware T² Centers collaborated to host a one-day Asset Management Conference in Newark, Delaware on November 5, 2009. Fifty-nine attendees represented municipal and county governments from Maryland and Delaware, the Delaware River and Bridge Authority, Delaware Department of Transportation, Maryland State Highway Administration, and the Federal Highway Administration.

If you have any questions about the asset management, the conference, or other T² Center events, browse the Delaware T² Center website (<http://www.ce.udel.edu/dct/t2/t2.htm>) or the Maryland T² Center website (<http://www.mdt2center.umd.edu/>) and contact us at (302) 831-4094.
