**Source:** University Student Information System Official Extract & HR Official Extract, Fall 2021

Prepared by the Office of Institutional Research & Effectiveness

**NOTES:** Faculty counts to include Career Directors and Department Chairpersons and include faculty with administrative appointments. Starting from Fall 2020, faculty in the School of Public Policy & Administration are grouped differently from previous years on both departmental and college levels due to the establishment of the Biden School. The list includes academic and college information for those faculty who will be reflected in Fall 2021 HR official reporting.

*interdisciplinary majors may be assigned to multiple colleges.*
