

Rubric for Phase 1 Presentation Elements

	Pts	Engr Presentation (= 60%)	Sketches (=15%)	UDesign (=15%)	Schedule (=10%)
A	100	Presentation conforms to required format, is organized, and demonstrates competent mastery of subject matter. Slides are grammatically correct, containing few if any typing errors. All critical aspects of project are fully supported by accompanying backup slides.	Includes sketches as necessary to describe system and machine elements. Sketches are complete, correct, and neat.	Includes information derived from UDesign showing Customers, Wants, Metrics, Target Values and Concept Selection.	Includes Gantt Chart(s) showing actual tasks performed for project to date and estimated future schedule.
B	85	Mostly	Mostly	Mostly	Mostly
C	75	Somewhat	Somewhat	Somewhat	Somewhat
D	65	Little	Little	Little	Little
F	0	None	None	None	None
