SUMMER CLASS ASSIGNMENT INQUIRY

Please provide accurate answers to the questions below so we may place you in the proper science and math class this summer. If you are not sure what class you are registered to take with your school next year, please write “unknown” in the space provided and we will follow-up with your guidance counselor.

Math

1. What math class are you currently taking? ________________________________

2. What math class will you be enrolled in next year? __________________________

Science

3. What science class are you currently taking? ______________________________

4. What science class will you be enrolled in next year? ________________________
