</table>

You are encouraged to contact a Student Conduct Advisor as soon as you decide to make use of this service. Please contact only one advisor at a time. Contacting an advisor well in advance of a meeting with OSC will increase the opportunities you can meet with an advisor prior to your OSC meeting. It is also recommended that you have access to all relevant information you regarding your case (such as the incident report, e-mail notification of charges, etc.)

Further information regarding the student conduct process and the Code of Conduct may be found in the Student Guide to University Policies at [www.udel.edu/stuguide/](http://www.udel.edu/stuguide/).
