Do you have a child with cerebral palsy? Are you interested in helping us learn more about cerebral palsy and approaches used to treat cerebral palsy?

If so, your child may be eligible for a research study focused on understanding the brain health of children with cerebral palsy.

An ongoing study is being conducted by the University of Delaware

- Principal Investigator: Curtis L. Johnson
- Your child receives $25 gift card for participating
- Address: STAR Health Sciences Complex
  540 S College Ave, Newark, DE 19713

For more information: 302-831-4615 or CPstudies@udel.edu

We are recruiting children both with and without CP
