The Redding Consortium for Educational Equity

About the Redding Consortium

The Redding Consortium was created to recommend policies and practices to the Governor and Delaware General Assembly that will achieve educational equity and improve educational outcomes for all Pre-K to grade twelve students in the City of Wilmington and northern New Castle County Delaware. To fulfill this mandate, the Redding Consortium will monitor educational progress and outcomes of low-income students, English learners, and other students at risk. It will identify the barriers to educational equity and improved educational outcomes and recommend actions for overcoming these barriers. It will evaluate the need for additional and alternative facilities and changes in the allocation of resources. It also will spotlight best practices from across the state and nation for strengthening
