# How Should the Consortium Proceed in Response to the COVID-19 pandemic?

DISCUSSION

## DISCUSSION QUESTION

Given your experience of the pandemic, and bearing in mind the group you are here to represent, **what are the main equity issues you are experiencing and/or seeing, and hearing about?**

# What role do you see the Consortium playing in advancing solutions?

---

## Redding Consortium Roles:

### Recommend

Recommend policies and actions to the Governor and General Assembly that support the continuous improvement of public education

### Develop

Develop policy proposals to be introduced through legislation to improve teaching and learning in both district and charter schools

### Monitor

Monitor the educational progress and outcomes of students in the City of Wilmington as well as all low-income, English learners and other students at risk across northern New Castle County

### Spotlight

Spotlight best practices from across the state and nation for increasing educational equity, improving educational outcomes, and strengthening school and community services.

### Facilitate

Facilitate collaboration on implementation of best practices among school districts and charter schools and may implement pilot projects

### Facilitate

Facilitate the consistent engagement of impacted communities to strengthen and inform its work
