

OFFICE OF ACADEMIC ENRICHMENT

The mission of the Office of Academic Enrichment (OAE) is to empower students to develop the academic skills and strategies that will pave the way for future success.

Every student can benefit from the support we offer—struggling students gain confidence and see great improvement, and high-achieving students become even stronger.

We look forward to seeing you!

OAE TUTORING SERVICES

Individual Tutoring: inexpensive; TutorFind Directory

Tutoring offers an opportunity to improve your understanding of fundamental concepts. Our services are designed to supplement and reinforce what you are learning.

Individual tutoring: Contact a tutor on the TutorFind Directory to set up an appointment. Undergraduate tutors: \$12/hr; Graduate/professional tutors: \$15/hr

Drop-in tutoring: No appointment necessary. Free tutoring in several subjects M-R between 3:30-10:00pm and F 10am-12pm at 148-150 S. College Ave. Students are seen on a first-come, first-served basis.

Group tutoring: Weekly review sessions are established based on subject and student demand. Students must complete an in-office form to participate.

Supplemental Instruction: Weekly review sessions organized by subject and professor support.

Group Tutoring: free; upon student request

Drop-in Tutoring: free; first-come, first-served

Supplemental Instruction: free; upon professor request

OAE ACADEMIC SUPPORT SERVICES

*Want to make sure you stay on top of those good grades you've been getting?
Discouraged because you're not getting the grades you want?*

Does it feel like there's never enough time to get everything done?

Does it seem like everyone but you has this figured out?

Let us help you find your answers!

SKILMOD CLASSES

These **1-credit, Pass/Fail** classes will enhance your study habits, critical thinking and problem-solving.

UNIV113: Study Skills. Learn new study strategies and apply them to one of your current courses.

UNIV114: Critical Thinking. Strengthen your skill in recognizing and creating a strong argument.

UNIV115: Problem-Solving. Discover ways to organize your thinking when facing challenging/new problem sets in your STEM courses.

ONE-ON-ONE ACADEMIC SUPPORT

Individualized support to help you connect the dots to address your academic frustrations.

Academic Intake. Come in for a one-hour meeting to review your current strategies. We will help you make connections with the resources you need to overcome the obstacles in front of you.

Academic Follow-up. You are welcome to schedule follow-up appointments as often as weekly as you work to put new study and organizational strategies into practice.
