

Academic Program Review Schedule

2017-2018

Spring 2018

Chemical & Biomolecular Engineering
Economics

2018-2019

Fall 2018

School of Marine Sciences & Policy
Kinesiology & Applied Physiology

Spring 2019

Philosophy
Chemistry & Biochemistry
Civil & Environmental Engineering
Medical & Molecular Sciences

2019-2020

Fall 2019

Sociology & Criminal Justice
Finance
Linguistics & Cognitive Science
Associate in Arts Program
Physics

Spring 2020

History
Political Science & International Relations
Computer & Information Sciences
Geological Sciences
Biological Sciences
Languages, Literatures & Cultures
Geography and Spatial Sciences
Africana Studies

2020-2021

Fall 2020

Art & Design
Physical Therapy
Hospitality Business Management

Spring 2021

English
Cooperative Extension
Electrical & Computer Engineering

2021-2022

Fall 2021

Winterthur Program
Mathematical Sciences
Communication Sciences & Disorders
Accounting and Management Information Systems

Spring 2022

School of Public Policy & Administration
Entomology & Wildlife Ecology
Mechanical Engineering
Behavioral Health & Nutrition

2022-2023

Fall 2022

Anthropology
Art Conservation
Business Administration
School of Education

Spring 2023

Music
Communications
Materials Science

2023-2024

Fall 2023

Psychological & Brain Sciences
Art History
Fashion & Apparel Design
School of Nursing
Human Development & Family Sciences

Spring 2024

Women & Gender Studies
Theatre
Applied Economics & Statistics
Biomedical Engineering

2024-2025

Fall 2024

Animal & Food Sciences
Plant & Soil Sciences
Fashion

Spring 2025

Chemical & Biomolecular Engineering
Economics
