MEMORANDUM

To: Deans and Department Chairs/School Directors

From: Matt Kinservik  
Vice Provost for Faculty Affairs

Subject: 2021-2022 Promotion and Tenure Process

After a successful inaugural launch last year, I am pleased to announce that the online UD Promotion and Tenure system is ready to launch its second cycle for the 2021-2022 process. Our goal is to continue providing a positive promotion and tenure experience for faculty candidates and reviewers, department and college staff, and members of the University Promotions and Tenure Committee. The system will be available for the 2021-2022 promotion and tenure cycle on **Monday, May 24, 2021**.

**Training Opportunities**

Training sessions for candidates and reviewers will be held on the following dates: Wednesday, May 26<sup>th</sup>, and Thursday, May 27<sup>th</sup>. Both sessions are identical in content, and will take place at 1:00 p.m. Announcements with Zoom links have already been sent out to you for these meeting dates. Please forward the information to your candidates and reviewers. In addition to these sessions, we have also prepared video tutorials for candidates and reviewers that can be accessed in the 'Faculty Promotion & Tenure' tile on the My UD site, <https://my.udel.edu/>.

**File Submission**

- **Main eBinder:** One main eBinder is prepared for each candidate. The main eBinder is produced within the online workflow system.
- See Attachment I (below) for the section titles of the main eBinder.

**Who is responsible for the preparation and progression of the eBinder?**

- Faculty candidates are responsible for preparing their own eBinder that represent their case for promotion.
- The candidate is responsible for confirming that the eBinder is complete. The candidate's electronic signature on the eBinder Summary Cover Sheet certifies that the eBinder is complete.
- At this point, the eBinder is ready for review. During the review process, the only documents that may be added are the solicited external review letters, the recommendation letters from the internal reviewers, the candidate's appeal materials, and updated evidential material submitted by the candidate.

- Evaluations must be based on the record as documented in the eBinder. **It is inappropriate for anyone (including deans, department chairs, school directors, faculty colleagues, or review committee members) to add materials to the dossier other than review letters.**

**Candidate opportunity to take action following results**

- Candidates will have 5 business days to indicate their intention to appeal a decision at any level of review. In order to initiate an appeal, candidates must send an email response to the department committee/department chair’s recommendation, the college committee/dean’s recommendation, the university committee’s recommendation and the Provost’s recommendation. Candidates are requested to copy [facultypromotion@udel.edu](mailto:facultypromotion@udel.edu) on their email notification to the appropriate administrator/committee.
- Candidates should monitor the progression of their binder through the online system paying special attention to system email notifications.

**Recording results**

- Results of the reviewers’ votes are indicated on the Summary Cover Sheet.
- A recommendation letter must be uploaded at each review step. This letter must be uploaded in the system at the time that the vote is being recorded.
