The FRIENDS one-day conference is a wonderful opportunity for families to come together & learn about stuttering while meeting others who are dealing with similar struggles. Children’s programming is activity-based and focuses on feelings & strategies for dealing with stuttering. Facilitated by speech-language pathologists & members of the adult stuttering community.

**Individuals Who Stutter**
*Children, Teens, Young Adults*
Meet others who stutter, learn about stuttering and ways to increase your confidence in communicating, and have fun talking.

**Parents**
*Of children, teens, & adults*
Learn how to best support your child, meet other parents of children who stutter and share experiences / concerns with people who “get it.”

**SLPs and Students**
*Undergraduate & Graduate*
Learn more about stuttering, current treatments and the support available to people who stutter, earn 0.5 ASHA CEUs.

---

If you stutter, you have FRIENDS.
PRESENTERS & FACILITATOR

Joseph Donaher, Ph.D., CCC-SLP, is the Academic and Research Program Director of the Center for Childhood Communication at the Children’s Hospital of Philadelphia. He is an assistant professor of Otorhinolaryngology at The University of Pennsylvania. Dr. Donaher is a Board Recognized Specialist in Fluency and Fluency Disorders and coordinates The Stuttering Program at CHOP.

Michael P. Boyle, Ph.D., CCC-SLP, is an Associate Professor in the Department of Communication Sciences and Disorders at Montclair State University where he teaches graduate courses in fluency disorders and directs the fluency disorders laboratory. His research is focused on psychosocial aspects of stuttering including stigma, quality of life, and communicative participation.

Elizabeth P. Lucas, MA, CCC-SLP, BCS-CL is a Lead Master Clinician & Clinical Instructor of Communication Sciences & Disorders at the University of Delaware with specialized interests in stuttering, child language and severe speech sound disorders. She works with children in clinical and school-based settings and holds the distinction of Board certification in Child Language. Liz received her graduate degree from Temple University.

Evan Usler, PhD is an Assistant Professor of Communication Sciences & Disorders at the University of Delaware. He is a person who stutters and specializes in the neurophysiological bases of language, emotion, and speech motor control, and how their interactions contribute to the neurodevelopment of fluency and speech motor disorders.

Illene C. Courtright, MA, CCC-SLP, BCS-F is a Master Clinician in the Communication Sciences & Disorders at the University of Delaware. She has a private practice in Delaware working with PWS of all ages and is the leader of the NSA DE Adult Support Group. Illene is a Board-Certified Specialist in Fluency and Fluency Disorders.

Sara MacIntyre, M.A., CCC-SLP serves as the FRIENDS One-Day Conference Director. She is the director of YouSpeak, a private practice in Philadelphia, where she works with individuals who stutter of all ages. In addition, Sara works for Stuttering Foundation as the Director of Programs and Education.
