

Internship Program Admissions

Date Program Tables are updated:

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The doctoral internship in health service psychology program offered by the CCSD at the University of Delaware is designed to provide supervised experience in individual and group counseling, consultation, student development programs, career development services, and practicum supervision. Candidates must be enrolled in an APA or CPA accredited doctoral program in counseling, clinical, or closely related area of psychology. All of the formal course work and comprehensive examinations for the doctorate should be completed, including supervised practicum courses in counseling. At least 500 hours of pre-internship practicum are required. There currently are four full-time doctoral internship positions.

The University of Delaware does not discriminate on the basis of race, color, national origin, sex, disability, religion, age, veteran status, gender identity or expression, or sexual orientation, or any other characteristic protected by applicable law in its employment, educational programs and activities, admissions policies, and scholarship and loan programs as required by Title IX of the Educational Amendments of 1972, the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, Title VII of the Civil Rights Act of 1964, and other applicable statutes and University policies. The University of Delaware also prohibits unlawful harassment including sexual harassment and sexual violence.
