Please respond to the following questions and attach this sheet to your completed paper. This questionnaire will help us “fellow” your paper and will not be handed in to your professor. (You may want to consider these questions while you write your paper.)

1. As you understand it, what is the assignment for this paper?

2. What is the most important thing you want to say in this paper?

3. About what parts of the paper are you the most confident?

4. What parts of the paper gave you the most difficulty?

5. During our conference, what could I do that would help you write a better paper?
