Spine MRI Research Study

We are recruiting subjects for our study that aims to relate spine function to aging.

Who is Eligible?
- Healthy adults (18+ years old) with no history of back pain
- No conditions that could cause harm or injury in MRI such as metal implants, claustrophobia, or pregnancy

What will you be asked to do?
- Participate in 2 magnetic resonance imaging (MRI) sessions (morning and evening of the same day)
- Scan in 3 different postures
- ~ 3.5 hour time commitment

What will you get?
- Compensation: $100 Visa or Amazon gift card
