Note: Data comply with IPEDS Completions Survey definitions (July 1 through June 30). Since some graduates earn degrees across different colleges (eg. AS-BS, AG-BS), the sum of degree counts across colleges may be greater than the distinct degree total at each degree level. Also because one student can earn multiple degrees (eg. AS-BA, EG-BS), the sum of distinct degree totals may be greater than the number of students who graduated. Certificates reflect UOD01 only.

The degree counts reflect the actual degree data one day before the report run date on September 29, 2020.

¹The Fashion and Apparel Studies Department and the School of Public Policy and Administration moved to the College of Arts and Sciences in 2010. The Energy and Environmental Policy Program moved to the College of Arts and Sciences in 2014.

²The Sport Management/Sport Management Interest Program moved to the Alfred Lerner College of Business and Economics in 2010.

³The Computer Science Department moved to the College of Engineering in 2010.

⁴The Joseph R. Biden, Jr. School of Public Policy & Administration moved out of the College of Arts & Sciences to be a stand-alone college in 2020.
