NOTE: Graduation terms defined by federal IPEDS standards (July 1 through June 30). Since some graduates earn degrees across different colleges (eg. AS-BS, AG-BS), the sum of degree counts across colleges may be greater than the distinct degree total at each degree level. Also because one student can earn multiple degrees (eg. AS-BA, EG-BS), the sum of distinct degree totals may be greater than the number of students who graduated.

The degree counts reflect the actual degree data one day before the report run date on October 29, 2014.

¹The Fashion and Apparel Studies Department and the School of Public Policy and Administration moved to the College of Arts and Sciences in 2010.

²The Hotel, Restaurant & Institutional Management Department and the Sport Management/Sport Management Interest Program moved to the Alfred Lerner College of Business and Economics in 2008 and 2010, respectively.

³The Geography Department moved to the College of Earth, Ocean & Environment in 2009.

⁴The Computer Science Department and the Energy and Environmental Policy Program moved to the College of Engineering in 2010.

⁵The Physical Therapy Department moved to the College of Health Sciences in 2009.
