

# Ag Day Information!

Ag Day is a community event hosted by the University of Delaware College of Agriculture and Natural Resources, that brings agriculture and natural resources to life. 4-H has a long standing presence at Ag Day and we are planning have a 4-H tent again this year.

If your club would like to participate in Ag Day, on **April 30<sup>th</sup> from 10:00am-4:00pm** at the University of Delaware Ag Campus please follow these instructions:

1. Fill out the 4-H Ag Day Registration form and return it to the NCC 4-H office by Friday, March 18, 2016. **Do not fill out the online Ag Day form!** All 4-H registrations will be handled by the NCC 4-H office.
2. Please indicate what your club is interested in doing at Ag Day. You may check off more than one area. Please include a detailed explanation of what your club is planning to do. We would like to have a variety of activities and educational programs highlighted, so knowing this information ahead of time will allow for this.
3. Please tell us your space needs for the day. Though we will have the entire tent we would like to utilize the space well. **A standard exhibit includes 1 table and 2 chairs. As much as possible please try to limit the amount of extra tables and chairs your club requests;** we will do our best to honor all requests.
4. Electricity is not available to the 4-H tent, so please try to plan activities/exhibits that do not require electricity. Also, water is in high demand and therefore difficult to include in the 4-H tent, so as much as possible please try to plan activities/exhibits that do not require water.
5. There is no cost for 4-H clubs! Because 4-H is an educational group and 4-H clubs are such an important part of Ag Day there is no cost for Delaware 4-H clubs doing educational exhibits, demonstrations, or activities to attend Ag Day.
6. If individual members are interested in giving a demonstration or talk outside of their clubs involvement please contact the 4-H office.

Remember registrations are due to the county 4-H office no later than **March 18, 2016**. If you have any questions please call or e-mail Mallory at 831.8965 or [mvogl@udel.edu](mailto:mvogl@udel.edu). Information about set-up for the day of the event will be sent to the club contact on the registration form.

***We hope to see you at Ag Day on April 30, 2016!***
