

2021 Window Display and Banner Contest

This Spring join us in promoting 4-H across New Castle County and show your community all of the fun, exciting and meaningful programs 4-Hers take part in.

Window Displays: Should remain at their location for one week. Displays will be judged during that week. The top three winning displays will represent New Castle County at the 2021 Delaware State Fair.

Make sure your displays have an impact from a distance and are easily read. Don't forget to have plenty of 4-H literature on-hand for visitors to pick-up as they admire your display.

There is no set theme for this year. Be creative and design a display that promotes many aspects of 4-H!

Banners: Individual members of 4-H clubs are encouraged to design and display a 4-H banner in the community.

Rules:

- Displays must be in place by 5:00pm Monday, May 3 and remain displayed until 5:00pm , Saturday, May 8.
- Window displays can be a maximum of 7' x 30''
- Banner must be 2' x 3' in dimension
- **Registrations are due to by April 23 to Kaitlin (kklair@udel.edu) or Serena (serenac@udel.edu)**
