Logging in to ZOOM with UML’s Single Sign On

1. You may log into Zoom by navigating to https://uml.zoom.us clicking on “Sign In” OR by launching the Zoom Desktop App (preferred) on your computer and clicking on the “Sign in with SSO” button. (The Zoom Desktop App can be downloaded directly from https://zoom.us )

2. Type in “UML” for you Company Domain and the click “Continue”
3. You will either automatically be passed through the authentication portal or be prompted to login with your UML Credentials.

4. Confirm that you are logged in by checking the top right of your Zoom Desktop App as shown below. It should show your initials and if you click on them, you will see that your name and UML credentials are shown.

5. Logging into the Zoom Desktop App is critical to joining Pre-Assigned Breakout Rooms if your professor is planning on utilizing them in class.
