On-Campus Blackboard
Zoom: Add the Link

To add Zoom to your course, first email classroomtech@uml.edu to request an account. Once established, you can add the tool link to a content area. Hover your mouse over Tools in the action bar to open the menu.

**Note:** If you do not see Tools or the action bar, click on the Home Page and make sure Edit Mode is ON.

Select More Tools at the bottom of the menu:

Select the Zoom tool link; the link Information options will appear, then click submit.

On the next screen just click Submit.
The icon will appear at the bottom of the content area.

To place it in an easy to find location, such as the top of your course menu, hover over the left of the icon and when a four pointed arrow appears, use it to drag the link to the top.

For more information about Zoom, contact classroomtech@uml.edu
