

WIDENER UNIVERSITY COMMONWEALTH LAW SCHOOL

Clinical Credit Approval Form

No student may earn more than eight clinical credits.

Student Information

Student Name Student ID Student Email @widener.edu

Select your year and division:

Indicate the semester and year in which credits will be completed – Use one form per semester

Fall Spring Summer

Externship Questions

Where will you be working?

Have you taken Evidence and Professional Responsibility, or are you taking then at the same time as your externship?

Please Note: Externship students are required to work in an externship placement 50 hours per credit sought. This work must be spread out over the course of the semester to ensure that the time spent in the placement will be balanced and of significant duration so as to achieve a meaningful experience. Any departures from this policy require prior approval from the Externship Coordinator.

I meet the GPA requirement for my externship placement.
