Dear

This is your Financial Aid Offer for the Period Covered listed above. Your awards and cost of attendance are based on our review of your financial aid application. Awards are based on your intended program of study, class level, and proposed intended enrollment. If you are enrolled in less than the required number of credits for your program or you change your program and/or housing status, the amount(s) and types of aid may be adjusted.

For additional financial aid information, such as a glossary of terms and award descriptions please refer to your campus' Financial Aid Office site. Links to the sites can be found on the [Financial Aid Home Page](#).
