1. My child, ______________________________________, is a student at Washington University in St. Louis (the "University").

2. He/she wishes to participate in the First Year Student Program in and around the University campus as well as at various St. Louis locations from August 25 through August 26, 2022, as part of the University’s Bear Beginnings Orientation Program that takes place from August 19 through August 27, 2022 (collectively, the “Event”). Event activities include, but are not limited to: a walking tour in and around campus, walking tours of various locations within the City of St. Louis and St. Louis County, a charter bus tour, off-campus dining, visits to locations within Forest Park (such as the Missouri History Museum), and trips to the Gateway Arch, Blues Museum, Bayer YMCA, Lewis Center, Cortex building and a hiking trip at Castlewood State Park. I understand that transportation for some Event activities will involve travel by chartered bus, MetroBus or MetroLink. I acknowledge that my child has voluntarily chosen to participate in the Event despite the potential dangers and risks, and despite this release.

3. I understand and appreciate the dangers, hazards and risks inherent to the Event, including but not limited to: transportation to, from, and around the Event locations via chartered bus, MetroBus, MetroLink, walking or other modes of transportation, natural disasters, inclement weather, heat exposure, dehydration, accidents, falls, lacerations, burns, broken bones, insect or other animal bites, and other injuries (including injuries that could result from hiking, nature and outdoor activities), illnesses (including COVID), diseases, crimes, riots, terrorist activities or attacks, and any risks associated with independent activities my child undertakes as an adjunct to the Event, all of which could include serious or even fatal injuries or property damage or loss. Such damage, injuries and/or death may result not only from my child’s own action, inaction or negligence but also the action, inaction, or negligence of others. I further understand that the University, including the individuals acting on its behalf, cannot and does not assume responsibility for such events or personal injuries or property damage arising therefrom even if such injury or damage is a result of the negligence of the University or other parties released. I also accept that it is my child’s sole responsibility to participate only in those activities for which he/she has the prerequisite skills, qualifications, preparation, and training, and that I have read and understand the conditions applicable to the Event. I further accept and agree that my child will follow all instructions pertaining to the Event, particularly those regarding safety and security practices.

4. COVID-19 pandemic: I understand the University’s COVID-19 public health policies and recognize that these may change as the COVID-19 pandemic evolves. I understand that if my child fails to abide by the University’s public health policies and expectations, he/she will forfeit the privilege to participate in the Event and may be subject to further student conduct action. I pledge that my child will do his/her part to protect himself and others and redact the spread of COVID-19 in our University community and the surrounding St. Louis community. My child will stay home if he/she is sick or experiencing symptoms. My child will follow the University’s public health policies and guidance, including those related to physical distancing, masking, personal health and hygiene, self-screening for symptoms, and quarantine and isolation.

5. With full knowledge of the dangers, hazards and risks of the Event, and in consideration of my child being permitted to participate in the Event, on behalf of myself, my child, my family, heirs, and personal representative(s), I agree to assume all the risks and responsibilities surrounding my child’s participation in the Event and, in advance, release, waive, forever discharge, and covenant not to sue the University, its governing board, officers, agents, employees, students, and volunteers (collectively, the “Releasees”) from and against any and all liability for any harm, damage, claim, demand, action, cause of action, cost or expense of any nature that I or my child may have or that may hereafter accrue to me or my child, arising out of or related to any loss, damage or injury, including but not limited to physical injury, suffering or death, that may be sustained by my child or by any property belonging to my child, whether caused by the negligence or carelessness of the Releasees with regard to the Event. This waiver does not pertain to incidents involving gross negligence or willful misconduct by the University and/or its agents. It is my express intent that this Release shall be deemed a release, waiver, discharge and covenant not to sue the Releasees. I further agree to save and hold harmless, indemnify, and defend Releasees from any claim by me, my child or my family arising out of my child’s participation in the Event.

6. I understand that my child is expected to behave in a manner consistent with the Washington University Student Conduct Code, the Washington University Drug and Alcohol Policy, and all other applicable University policies. I understand that the use or possession of illegal drugs, including marijuana, by my child can have very grave consequences, including arrest and imprisonment. I know that my child is subject to local law and that my child agrees to obey all laws and ordinances of jurisdictions where he/she may be during his/her participation in the Event. I understand that if my child does not behave in accordance with policy and law, he/she may be asked to leave the Event and will be responsible for all personal expense thereafter, including return transportation.

7. I am aware of my child’s personal medical needs and state that there are no health-related reasons or problems that preclude or restrict his/her ability to participate safely in the Event. I assume all risk and responsibility for my child’s medical needs, and understand and agree that if he/she must be hospitalized or otherwise receive medical care, the University cannot and does not assume legal responsibility for payment of such costs. I hereby warrant that my child has adequate health insurance coverage to meet any and all needs for payment of medical costs while undertaking the Event. I hereby grant permission to the Releasees to authorize emergency medical treatment for my child, and understand and agree that neither the University nor any of the other Releasees assume any responsibility for any injury or damage that may arise out of or in connection with such authorization.
