September 18th 10am - 12pm
In this foundational session, students will meet to connect with other sophomores interested in community engagement and service. We will set the stage for the Saturday series with a focus on the UN Sustainable Global Goals, consider how we can enter new communities with curiosity and humility, and dig into some narratives about St. Louis. This Saturday is required to attend any subsequent sessions.

September 25th 10am - 3pm
Join us for a half-day immersion in Old North, St. Louis. We will engage in thoughtful conversation with community members, learn more about a local St. Louis neighborhood, and listen to perspectives and stories about what it means to be a member of this larger community. Lunch at a local restaurant included.

October 2nd 10am - 2pm
If you’re interested in mentoring and youth development, this session is for you! During our time together, we will volunteer at a local YMCA branch and learn about some of the mentor and tutoring efforts throughout the region.

October 16th 10am - 2pm
This session focuses on the intersections of health and wellness and sustainability. We will visit a local nonprofit organization focused on making St. Louis a greener city.

October 23rd 11am-2pm
Come connect with campus and community partners from across the region! Sign-up for opportunities available and attend topical panel sessions of your choosing ranging from advocacy efforts to tutoring and working with kids.

What the L@U Series
SERVING LOCALLY. THINKING GLOBALLY.
