WASHU FOR A SUSTAINABLE PUERTO RICO

Speakers:
Tony and Maria Teresa Maldonado, President and Past President of the Hispanic Leaders Group of St. Louis HLG
J. Dillon Brown, Associate Professor of English, Wash U
PJ Wilson, Founder of Solar for Puerto Rico

We hope to enable the Washington University and St. Louis community to make a positive impact and to raise awareness about and financially contribute to the ongoing energy infrastructural issues in Puerto Rico and the possibility of a green recovery.

April 11, 5:30
Clark-Fox Forum, Hillman Hall

Sponsored by the Gephardt Institute at Wash U, the Hispanic Leaders Group, and the Puerto Rican Society of St. Louis
Hosted and Organized by Trent McDonald, Department of English, Wash U
