

How do I partner up with a community garden?

In St. Louis

Check out the Burning Kumquat's list of community gardens in St. Louis! This isn't an exhaustive list, but it includes some of the BK's past community partners:

Remember to be respectful of your collaborator's space!

When you attempt to forge a relationship with a garden in your area, always remember to respect their space and composting rules! Some gardens may have restrictions on the type and quantity of compost they accept.
