Office of Minority Health and Health Equity
Office of the Commissioner
U.S. Food and Drug Administration*

“Overview of the U.S. Food and Drug Administration’s Office of Minority Health and Health Equity”

Thursday, October 17, 2019

Noon—1:00 pm

Doll & Hill Room

Taylor Avenue Building

Dr. Christine Lee serves as the Lead for Strategic Research Engagement for the Office of Minority Health and Health Equity (OMHHE) in the Office of the Commissioner at the U.S. Food and Drug Administration. During the seminar, participants will be given an overview of the U.S. Food and Drug Administration’s Office of Minority Health and Health Equity. Highlight of the seminar will include: FDA Policy Strategies to Support Diverse Participation in Clinical Trials; Communication & Outreach Strategies to Improve Diverse Participation in Clinical Trials; Research and strategic innovations that advance the health for all populations.

Please feel free to bring your lunch to this brown bag presentation.

Co-sponsored by the Institute for Public Health, the Department of Obstetrics and Gynecology, the Department of Medicine, and the Department of Anesthesiology
