Orientation and Spring Planning Participation Contract

CS40 executives play an integral role in fall orientation and spring planning. Thus, executive officers are required to be on campus and actively participate in these processes. Executives will be involved in weekly meetings after their election until the end of the academic year. They are required to help with the execution of WUstock (April 4th). In addition, executives must return to campus for training in mid-August 2020 to assist with the orientation process. Please certify that you are available and understand that returning on time and participating actively in both orientation and spring planning are mandatory functions of your office.

Executive Conference Verification

In an effort to foster a comprehensive understanding of the responsibilities and commitments of a CS40 Executive Board Member, all prospective candidates are encouraged to speak with many CS40 leaders, including executives, committees chairs, and advisors. However, you are required to have a conference with the person currently holding the position you are seeking. It is vitally important for you to have a complete understanding of the role of the Executive Position you are running for.

Please contact the Executive Board Member you need to meet with to schedule an appointment. Contact information is listed on the CS40 website. The times of the conference will vary, depending upon the circumstances of the meeting. However, this conference is a requirement for candidacy.

Petition for Candidacy and Candidate Statement

In order for your application, please be sure to submit your petition for candidacy on WUGO on the “Congress of the South Forty” page, under forms by 11:59 pm on February 21st. In order to provide candidates a forum that can reach all students, the Election Commission will be posting candidate statements on the CS40 Website, as well as on the ballot. If you would like to use this as a mechanism for publicity, please submit a candidate statement along with your petition for candidacy. The statement must be no more than 150 words in length.

Expense Report

No candidate may spend more than $50 on his or her campaign. In order to verify this, all candidates are required to submit an expense report to the CS40 Office by 9:00 pm on Wednesday, March 25th. Please include an itemized budget that lists expenditures and amounts. Include all receipts. Sign the bottom of the itemized list; your signature verifies the information’s accuracy.
50 Signatures Supporting Candidacy of ______________________

Signatures must be of residents living on the South 40 during the 2019-2020 academic year. An individual may only sign a candidate’s petition once. A signature here does not bind an individual to vote for them. All signatures are subject to verification by the Elections Commissioner. It is recommended that candidates obtain more than the necessary number of signatures in case some signatures are invalidated. Residential life staff, including RAs, may not provide signatures. For clarity, these two pages have 70 blank spaces for signatures, and the star denotes 50 signatures.
