Message from Carolyn Farrell, President of WSWU

On a beautiful sunny April morning, WSWU kicked off its 50th Anniversary Celebration....the first of three events. Members were delighted with the shuttle service from West Campus direct to Anheuser-Busch Hall. Those arriving early had time to view a slide show capturing WSWU's 50 years of service. As 10 a.m. drew near, everyone filed into the wood-paneled Moot Courtroom for the annual meeting and a fascinating lecture delivered by Susan Fisher Sterling, Director-National Museum of Women in the Arts.

Following the lecture, members and their guests were greeted in Crowder Courtyard by servers offering champagne before attendees settled in at tables clothed in fuchsia and adorned with white hydrangeas, pink tulips, programs and mementoes. The special luncheon featured Chancellor Mark S. Wrighton, the Harriet K. Switzer Leadership honorees and the Elizabeth Gray Danforth scholars.

The Board sends its biggest thank you to the 50th Anniversary Committee and offers its wishes for a relaxing summer to all,

A handwritten signature in blue ink that reads "Carolyn".

2015-16 Lecture Series

The Education Committee will meet soon to brainstorm ideas for next year's lecture series. Email your lecture topics to the WSWU Office at sharon_britt@wustl.edu.

Membership

WSWU has officially begun a membership drive in the effort to welcome 100 new members in our 50th Anniversary year. We are off to a great start, but do need your help! And there are so many ways you can help. Comb your address book and send names of potential members and mailing addresses to the WSWU Office. Bring a friend to a lecture next fall as a guest. Have a gathering where we can visit with a group of your friends about our wonderful scholars, lectures, student funding projects and the amazing network of women who make the Women's Society such a rewarding experience.

Expect your dues renewal packet in mid-summer after the lecture schedule is firmed up.
